END OF SECOND TERM NEWS LETTER

Dear Amazing
Parents

With a heart full of gratitude, we come to the end of yet another successful term. It is with humility and thanksgiving that we acknowledge the guidance and blessings of the Almighty that have led us through the term.

HAPPY
Easter

REVIEW OF SOME ACTIVITIES FOR THE TERM

This term, albeit short, has been filled with moments of growth, learning, and community building. Despite the constraints of time, we have endeavored to provide our students with enriching experiences and opportunities for holistic development. However, we must acknowledge that due to the brevity of the term, we were unable to engage in all the activities we had planned. Nevertheless, we are committed to ensuring that these activities are seamlessly integrated into the upcoming term for the benefit of our students.

One such activity is the eagerly anticipated **Spelling Bee competition**. While we successfully conducted the first and second stages this term, the final stage will be concluded in the third term. We appreciate the patience and enthusiasm of our participants and look forward to an exciting conclusion to this esteemed competition.

HAPPY EASTER CELEBRATION

International **WOMEN'S DAY**

On March 8th, 2024, we celebrated International Women's Day with great fervor and purpose. It was a day of reflection and empowerment as we welcomed the esteemed Lady Vivien Anaka, who graced our school with her presence. Lady Vivien Anaka inspired our young girls with her words of wisdom, encouraging them to be courageous and to start planning for their careers and futures from a young age. It was a truly enlightening experience for our students, and we are immensely grateful to Lady Vivien Anaka for her invaluable contribution to our community.

Extension **CLASSES**

In our commitment to academic excellence, extension lessons for Year 9 scholars will continue into the next term. These lessons are designed to provide additional support and guidance to our students as they prepare for their Mock examinations, which will be administered in the first week of the third term. We believe that with dedication and perseverance, our Year 9 scholars will excel in their academic pursuits and transition seamlessly from middle school to high school.

HAPPY EASTER CELEBRATION

Graduation

Speaking of transitions, we are excited to announce that our Year 9 scholars will be graduating from middle school to high school at the end of this academic year. This milestone marks a significant moment in their educational journey, and we are immensely proud of their achievements thus far. We look forward to celebrating their accomplishments and supporting them as they embark on the next chapter of their academic endeavors.
