

JASMINE COLLEGE

...raising a generation of skillful hands and creative mind

END OF FIRST TERM NEWSLETTER

Dear Amazing parents,

Season greetings! As we approach the end of the year, we want to express our profound gratitude to you our dear parents for your continued support, encouragement and cooperation all through this term.

The term has been challenging with lots of rescheduling of dates and activities, however you and your child/ward have been amazing in adjusting to these many changes we have introduced to school organization and routines. We appreciate you for your kind understanding.

REVIEW OF SOME ACTIVITIES FOR THE TERM

Independence Day celebration: We joined the rest of our compatriot in celebrating Nigeria at 62. Thank you dear parents for sending in our scholars dressed in green and white attire in commemoration of the Independence Day.

International Day of The Girl Child: The day was celebrated in collaboration with the Women Leadership Institute of Nigeria (WLIN) on Tuesday 11th October, 2022. There was a wonderful display of dance, drama and poetry to celebrate the girl child day. After the fun-filled event, our female scholars were all delighted to get several gift items courtesy of WLIN. The event was fully covered by National Television Authority (NTA) and aired on the 12th of October 2022.

OPEN DAY: We are using this medium to appreciate you our amiable parents for the good attendance during our Open day. We are super grateful for your positive feedbacks, we have equally received all your observations/comments and we are implementing the action plans to ensure we address all areas of concern satisfactorily.

Old School Day: The Old School Day was our major extra-curricular activity for the term. We celebrated the day in style as students and educators were beautifully dressed in old school attires. It was indeed an atmosphere filled with lots of fun and laughter as we basked in the memory of old school entertainment through movie, music and dance performance.

AWARD CEREMONY: To God be the glory, we received an award from Nigeria Radar Award for excellent performance in both internal and external examinations, across all levels and in recognition of our excellent service towards the development and advancement of education in Nigeria. The nominees from the Day College were Amarime Fejiro and Kennedy Rhema for their outstanding performance in academics.

EXAM PREPARATORY CLASS: As it is customary in Jasmine College, we organize extension classes for our Year 9 scholars in preparation for their external examinations (NECO & State BECE). The extension classes started this term to continue all through second term. Exam prep classes hold on Saturday 9am – 1pm, then 10am – 2pm on Environmental sanitation days.
