

JASMINE COLLEGE

...raising a generation of skillful hands and creative mind

END OF SECOND TERM NEWSLETTER

Dear parents/guardians,

We have successfully ended another term, we thank almighty God for his infinite mercies. On behalf of the management and staff of Jasmine Day College, I wish to thank you for your immense support, patience and resilience throughout the term.

We had hopes that this term would be a smooth one, with little or no distraction and more focus on academic work. However, the election and electoral process had its toll, in all we thank God for a successful term.

SOME ACTIVITIES FOR THE TERM

ORPHANAGE VISIT

With your enormous generosity and contributions, our orphanage visit on the 14th of February, 2023 was a huge success. It was an opportunity to teach our scholars that love is not all about romance but more of caring for one another, especially the less privileged in our society.

OPEN DAY

Thank you for your overwhelming participation and feedback. Be rest assured that we are working on it.

The term has been a busy and productive one, as some of our scholars have been undergoing intense and extra preparation for the **African Mathematics Olympiad championship competition**. The competition was scheduled to hold on the 25th of March, 2023, but was postponed to the 20th May, 2023. However, a free CBT mock trial was held online on the 25th of March, 2023 and all our scholars that participated got the 50 points cut off mark required. We wish them the best in the forth-coming competition.

SPELLING BEE COMPETITION

After months of preparation, the Spelling Bee competition came to a close on the 23rd of March 2023.

We congratulate our stellar spellers who made it to the final round of the competition. We appreciate the hard work and extra effort they must have put in becoming exceptional spellers.

Our top three spellers were:

1. Year 9 Mkpado Fabio (Winner)
2. Year 7 Ofor Anene Judith (1st runner up)
3. Year 9 Mkpado Raphael (2nd runner up)

Congratulations to our spelling bee participants who through preparing for this contest, improved their spelling, expanded their vocabularies, learned new concepts and refined their grammar-skills that will help them throughout their lives. We are all proud of their accomplishment.
