

JASMINE DAY COLLEGE

...RAISING A GENERATION OF SKILLFUL HANDS AND CREATIVE MINDS

END OF 2022/2023 ACADEMIC SESSION

APPRECIATION

Dear Esteemed Jasmine parents,
We have officially completed the 2022/2023 academic year. We are extremely grateful to God for his mercies all through the session and to you our valued parents for partnering with us this academic year and for your unwavering support and involvement in your child's education.

We appreciate your immense support and cooperation. May God bless all your efforts in the lives of your children and bring them to fruition.

It has been an eventful year filled with growth, achievement and unforgettable experiences. Thank you once again, together we will continue to nurture and empower our scholars to reach their full potential.

ACADEMIC & EXTRACURRICULAR ACTIVITIES

During the course of this session, scholars and educators have been involved in a wide range of events and activities.

Sincerely, we have enjoyed and celebrated many successes, like our Speech /Prize giving day & Graduation, Children's day and our awesome Wacky/Tacky day.

Congratulations to all our scholars for their hard work and dedication throughout the year. Your exceptional academic achievements have made us proud. Continue to strive for excellence!

We commend our educators for their tireless efforts in guiding and supporting our scholars. Your commitment to education is truly inspiring.

FOREIGN EXAMINATIONS

As part of our ongoing commitment to providing a well-rounded education and preparing our scholars for academic success, we have decided to introduce several foreign examinations into our curriculum.

We believe that incorporating international assessments such as the SAT (Scholastic Assessment Test), IELTS (International English Language Testing System) will greatly benefit our scholars in numerous ways.

These examinations are widely recognized and respected globally, opening doors to higher education institutions and career opportunities around the world.

SEX EDUCATION

We are committed to providing a well-rounded education that prepares our scholars for a life beyond the classroom. In line with this commitment, we have made the decision to introduce comprehensive sex education as part of our curriculum. The lessons will be delivered on Thursday every week.

We understand that sex education is an important and sensitive topic. However, we want to assure you that our approach will be age-appropriate and we encourage open communication between parents and their children on this topic.

By equipping our scholars with accurate age-appropriate information, we can help them navigate the challenges of adolescence and adulthood with confidence and make informed choices that promote their physical and emotional well-being.

SUMMER CLASSES

Our summer program will be an incredible opportunity for your children to have a memorable and enriching summer experience. It will not only keep them engaged but also help them develop valuable skills and create lasting friendships.

We look forward to welcoming your child/ward to our exciting summer program!
