Celebrating the International Day of the Girl Child was an empowering and inspiring event at our school. Marked by engaging discussions, the day aimed to highlight the importance of gender equality and empower our young girls. Our guest for the day was Mrs Kingsley, who is a parent at the school. She shared her stories, encouraging our students to dream big and pursue their passions fearlessly. Through thoughtful conversations on global challenges and a commitment to fostering an inclusive environment, our school reiterated its dedication to nurturing confident and ambitious girls. The International Day of the Girl Child celebration was not just a moment of reflection but a call to action, reinforcing our school's commitment to shaping a future where every child, regardless of gender, can thrive and succeed.
